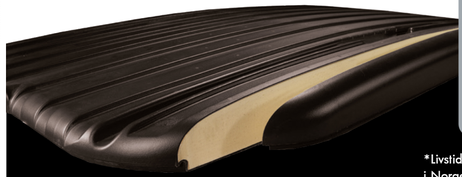
Simple. Quick. Easy. *Zero to Ahhh in 30 seconds!*
- Built-in ULTRASTRONG™ CoverLift system. Choose CoverLift Assist or Fully-Automated.
- Patented DURA-SHIELD Hardcover is as easy to open as a car door.
- No barriers to entry.

Lifetime Warranty* *An investment in the life of your spa.*
- Pre-installed DURA-SHIELD Hardcover is worry-free.
- Never worry about snow, as DURA-SHIELD will support 1000+ lbs. of load or debris.
- A Strong Spa owner who chooses DURA-SHIELD enjoys convenience every day and money savings over time in never having to replace the cover.

Safety *DURA-SHIELD is designed with safety in mind.*
- Lockable.
- Patented.
- DURA-SHIELD is engineered to be quick and easy for an adult to open.
- Specifically designed to protect against unwanted child entry.

Energy Efficient *Saves you energy and money!*
- DURA-SHIELD Hardcover keeps your spa hot and ready to use without wasting energy.
- Unique design of the DURA-SHIELD hardcover ensures insulation will maintain that same R-value for many years.



Proprietary foam insulation is encapsulated within the dual-walled DURA-SHIELD HardCover.

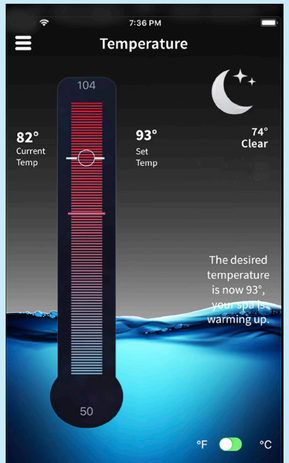
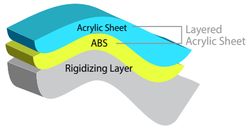
Also available in Fully-Automated DURA-SHIELD HardCover!

Take the durability and strength of our hardcover and make the ease of use even simpler with Strong Spas' Fully-Automated DURA-SHIELD Hardcover.
A spa-industry first, this OEM fully-automated, UL-Approved hardcover features effortless open/close operation with a simple turn of a key!

NEW! Control your spa from anywhere through the **optional WiFi App**. Modify and monitor temperature, filtration, jets, lighting, usage, service and more!



ACRYLIC SPA FEATURES



Triple-Bond™ Shell
- Strength and Longevity. With our 3-Layer shell design, peeling, cracks, and delamination are a thing of the past.
- Environmentally-friendly process. No fiberglass means no dangerous VOCs. Strong's shell reinforcement contains no neuro-toxins or VOCs, and is both environmentally friendly and safe to use.
- Industry-leading warranty! We stand behind our product and our process!

StrongTouch Touch Screen
Simple and fun to use! Precise, intelligent control of your spa is at your fingertips.

SoftTouch LED Insignia Headrests
Strong Spas' insignia, set aglow with LED lights, graces the comfortable SoftTouch headrests.

Fully-Automated DURA-SHIELD HardCover approved in N. America and Europe!

High-Performance Jets!
Smooth & precise! Patent-pending design improves air draw performance by almost 50%!
- Higher Nozzle Velocity
- Improved Hydrotherapy

DURA-BASE®
- Up to 10X thicker than the market's standard bases
- Equivalent to a built-in spa pad. Minimal site prep required!
- Impermeable and pest resistant
- Proprietary thermal barrier
- Lifetime Warranty!

DURA-BASE® recycles spa heat, saving energy and money!
